

Delivering safer and better care for children in hospital

SYMPOSIUM SCHEDULE

Tuesday, 6th December, 2016

The Children's Hospital at Westmead – Lorimar Dods Lecture Theatre

Transportation information overleaf

Workshops (maximum 20 participants in each workshop)

8.30 – 9.45 Workshop details and registration links overleaf

Symposium (maximum 150 participants)

Chair: Neville Board, Director, eHealth and Medication Safety
Australian Commission on Safety and Quality in Health Care

10:00 – 10:05 Welcome

10:05 – 10:10 Opening – Minister for Health, The Hon Jillian Skinner MP

10:10 – 10:25 eHealth Strategy for NSW Health and Memory's contribution to it –
Dr Zoran Bolevich, Chief Executive, eHealth NSW

10:25 – 11:05 Memory the future – **Cheryl McCullagh**, Director Clinical Integration, SCHN

11:05 – 11:30 Assessing the effectiveness of eMM to reduce medication errors –
Professor Johanna Westbrook, Director, Centre for Health Systems and Safety Research (CHSSR), Australian Institute of Health Innovation, Macquarie University

11:30 – 11:50 Morning tea break

11:55 – 12:20 CHW users' views of the eMM – **Dr Melissa Baysari**, Senior Research Fellow, CHSSR

12:20 – 12:45 Observational study of medication administration at CHW: preliminary results –
Professor Johanna Westbrook

12:45 – 13:10 Approach to assessing the cost-effectiveness of eMM – **Dr Virginia Mumford**, Postdoctoral Research Fellow, CHSSR and **Professor Jon Karon**, University of Adelaide

13:10 – 14:10 Lunch break

14:15 – 15:15 Clinical Decision Support in Paediatric Medication Management: What works? – **Professor Chris Lehmann**, Vanderbilt University, USA

15:15 – 15:45 **Panel Discussion** – Paediatric eMM (Present and future challenges/value of collaborative partnerships to deliver HIT which delivers better care? What can we learn from the US experience and what the US can learn from Australia)

15:45 – 16:00 Wrap-up

Places limited – [click here to register](#)

Delivering Safer and Better Care for Children in Hospital

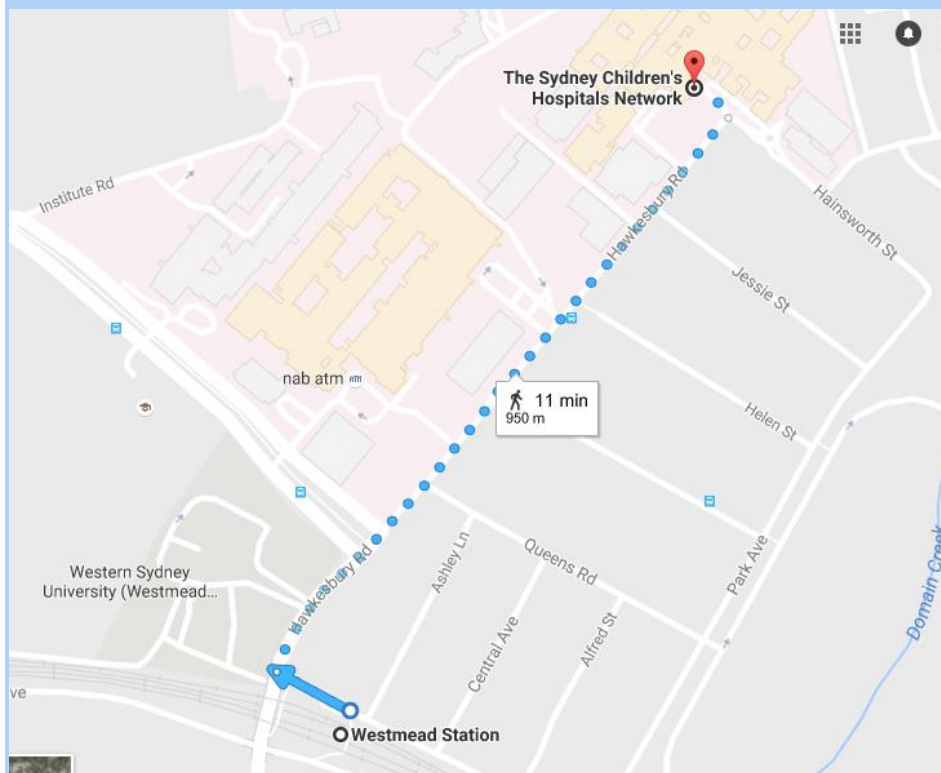

SYMPOSIUM SCHEDULE

Workshops (maximum 20 participants in each workshop)

8.30 – 9.45

- **EMM** - a practical how to for training and implementation, and helpful tips on pitfalls to avoid - [register](#)
- **SIM centre** – how to use and improve processes when making major changes in patient areas using simulation, examples in EMM among other success stories, with a tour of the centre and clinical SIM spots - [register](#)
- **Oncology EMR** - integrating the medical record with research long term clinical management - [register](#)
- **Lean PMOs** – practical - Lean and Agile project work in health, covering the need, the set up and plans for the future of the Project Management Office, Agile framework - [register](#)
- **Lean Process Improvement** in IT and Support services – creating efficiencies, smoothing workflows, faster deliverables - [register](#)

Getting there:

The Children's Hospital at Westmead, The Sydney Children's Hospitals Network, is approximately 1km (10 min) walk from Westmead train station. Take the Northern exit (Railway Parade) from the station, turn left and follow Hawkesbury road until you reach the hospital entrance (on the left).

Information on parking can be found [here](#). Please note, however, that parking is very limited.

Additional parking is available a short distance from the hospital – information can be found [here](#).
