## Selecting your stream – Standard Foundation Program / Intensive Program

When you enrol for the first time, you will be asked to select a 'Stream' for your Standard Foundation or Intensive Program course.

The Stream that you need to select will differ depending on the Bachelor degree you wish to articulate into next.

Please note that in addition to the stream, there will be specific units that you must study during your Standard Foundation or Intensive Program course. These unit requirements can be found on the [Handbook](#), and it is the student's responsibility to ensure that they have completed the correct units for the articulation of their choice.

The table below will indicate the stream you should choose for each Bachelor program you wish to articulate into.

| Degree  | Stream          |
|---|-----------------|
| Bachelor of Actuarial Studies                 | Business Stream |
