The amounts listed are indicative only.

The exact amount can be found in eStudent - "My Finances" menu after enrolment.

Fees listed below is applicable if you are:

- An undergraduate student (Bachelor program only); and
   No longer eligible for Commonwealth Supported Place (CSP) as you have exceeded your Student Learning Entitlement (SLE).

For some units you will be charged a different rate dependent on the course you are admitted into.

From 2021, the Government legislated changes that affect the student contribution amounts for students in CSP places. One of the main changes is that students enrolled in Psychology and Behavioral Science units will be charged different fees depending on the course they are admitted into.

The amounts listed are indicative only.

The exact amount can be found in eStudent - "My Finances" menu after enrolment.

Fees listed below is applicable if you are:

- An undergraduate student (Bachelor program only); and
   No longer eligible for Commonwealth Supported Place (CSP) as you have exceeded your Student Learning Entitlement (SLE).

For some units you will be charged a different rate dependent on the course you are admitted into.

From 2021, the Government legislated changes that affect the student contribution amounts for students in CSP places. One of the main changes is that students enrolled in Psychology and Behavioral Science units will be charged different fees depending on the course they are admitted into.
