When your potential is multiplied
by a university built for collaboration,
anything can be achieved.

That's **YOU** to the power of *us*

Carlos

DIPLOMA OF ARTS MEDIA AND COMMUNICATIONS
BACHELOR OF MEDIA AND COMMUNICATIONS

“I didn’t have the marks for direct entry into a uni degree, so I decided to undertake a diploma, do well and then articulate into a degree. My diploma gave me such a wide scope of study to explore, I discovered a field I wasn’t even aware of – but now, one I can’t even begin to imagine not building a career in! Since starting my degree, I’ve joined the uni’s radio station 2SER as a producer. I’m learning everything about producing, broadcasting, radio and sound design, which are skills I know employers in the media industry look for.”

ACKNOWLEDGEMENT OF COUNTRY

We acknowledge the Traditional Custodians of the land on which Macquarie University is situated, the Wallumattagal people of the Dharug Nation, whose cultures and customs have nurtured, and continue to nurture, this land since time immemorial. We also acknowledge the Elders, past and present, and pay our respects to them. We further honour and pay our respects to the spirits of this land and its waterways. We humbly ask that all members of the Macquarie University community are granted the capacity to wingaru (think), to learn and to walk safely upon this ngurra (land).

A photograph of two women in a laboratory or greenhouse setting. The woman on the left is smiling and looking at the woman on the right. The woman on the right is holding a small plant in a black pot and using a pipette to add liquid to it. The background is filled with various plants and laboratory equipment. The overall lighting is warm and slightly dim, with a soft glow around the women.

(YOU) *us*

At Macquarie, we have discovered the human equation for success. By knocking down the walls between departments, and uniting the powerhouses of research and industry, human collaboration can flourish. This is the exponential power of our collective, where potential is multiplied by a campus and curriculum designed to foster collaboration for the benefit of everyone. Because we believe when we all work together, we multiply our ability to achieve remarkable things.

START YOUR JOURNEY TOWARDS A BACHELOR DEGREE

GUARANTEED FAST ENTRY INTO YOUR UNDERGRADUATE DEGREE

Developed specifically to meet Macquarie's entry requirements, our pathway programs are designed so that on successful completion, you can seamlessly transition to the first or second year of your undergraduate degree, as long as you meet the entry requirements.

BE A MACQUARIE UNIVERSITY STUDENT FROM DAY ONE

As a student at our College, you're a Macquarie student from day one. You're instantly part of our vibrant university community with countless opportunities to connect with like-minded people.

PROGRAM STRUCTURE

The College offers three pathway programs: Diplomas, the Standard Foundation Program and the Intensive Program.

If you're undertaking a diploma, you'll study the same units as first-year undergraduate students, but in smaller classes with hands-on support. This helps ensure your success as a university student.

After you pass eight units of a diploma – with the required marks – you can go straight into the second year of your undergraduate degree. If you work hard, it's possible to do this in eight or nine months.

The Standard Foundation Program and the Intensive Program will quickly increase your subject knowledge and academic skills to the level you need for success in your undergraduate degree. You'll study two units each term, which allows you to deeply engage with your chosen area of interest.

SMALL CLASSES

Our small class sizes ensure you get personalised support from our highly qualified teachers, and our specially designed teaching and learning activities will improve your university-level study skills and academic knowledge.

ADJUSTMENT FACTORS

You may be eligible to receive adjustments – points that can be added to your ATAR or average mark – through our adjustment factor schemes.

mq.edu.au/adjustment-factors

A GREAT INVESTMENT

If you're an Australian or New Zealand citizen, an Australian permanent resident or a holder of a permanent Australian humanitarian visa undertaking a diploma, you're regarded as a Commonwealth supported student.

If you undertake our Standard Foundation Program or Intensive Program, you're recognised as a domestic fee-paying student. HECS-HELP and FEE-HELP loan schemes are available for eligible students.

Progress into Year 2

DIPLOMAS

Diplomas are equivalent to the first year of a bachelor degree. If you successfully complete your diploma and meet the entry requirements, you can progress directly into the second year of an undergraduate degree without losing any time. Macquarie offers two diploma pathways into a bachelor degree: a direct pathway and a flexible pathway. If you're certain about which bachelor degree you wish to articulate into, the direct pathway is recommended. This pathway allows you to bundle your diploma and bachelor degree together in a single offer.

Diplomas: direct pathway

Karim

DIPLOMA OF COMMERCE
BACHELOR OF COMMERCE

"After researching my uni options, I concluded that the Diploma of Commerce would set me up with the technical skills I was keen to grow, and provide a smooth transition to a bachelor degree. Because the College provided so much support and guidance, the diploma really was the perfect bridge between my academic needs and career goals. I've got a 10-year career plan, and I can't wait to get started! My ultimate goal is to work in investment banking, most likely in the UAE and Europe, which I know my degree will help me accomplish."

ZahliaSTANDARD FOUNDATION PROGRAM
BACHELOR OF INFORMATION TECHNOLOGY

“The teachers at Macquarie University College are incredibly supportive and helpful. Because they encouraged me to chase after what I want and to do my best all the time, I was really well prepared for my IT degree. Because my degree has such a fantastically wide scope, I could take my career in any number of directions. For the moment, though, I’m focused on pursuing a career in cybersecurity innovating new technologies that will protect people and small businesses from cyberattacks, or developing technologies for conservation efforts.”

Zahlia's story

What are you waiting for?

HOW TO APPLY

Applying for a uni degree is a big step, and it can seem a little overwhelming at times. We get this, so we've taken all the tricky stuff and distilled it into four easy steps.

1. SELECT

Choose the course you'd like to study

Check out the diplomas, and foundation and intensive programs in this guide.

Visit mq.edu.au/college

2. REVIEW

Review your eligibility

If you're unsure, contact us at Future Students

on (02) 9850 6767 or at futurestudents@mq.edu.au

3. APPLY

Apply for your chosen course through UAC

Visit uac.edu.au for more information.

4. OFFER

If you receive an offer

Congratulations and welcome to Macquarie!

You'll need to accept your offer at mq.edu.au/ug-secure and complete your enrolment online.
